

One Shelf, Two Sided Cart K-81

- Distribution
- Stocking
- Work-In-Process
- Display

With a 750 lb load capacity and adjustable shelves, this two sided cart enables maximum cubic utilization. Shelves slide into position in up to 12 different shelf rail slots, enabling you to modify this cart for any need. Its "stretched" design and low profile make this cart easy to maneuver through tight aisles and narrow door openings. This cart is optimal to use for product display purposes, creating an attractive "cascading" merchandise display.
