

Dairy 120 Gallon, Five Shelf, Two Sided Cart—WR-SS

- Distribution**
- Stocking**
- Work-In-Process**
- Display**

Rigid carts are more quiet to move because there are no hinged shelves or side frames that rattle during transport. This heavy duty, 1,200 lb load capacity cart is no exception. With 4 wire shelves a stainless steel finish, 4 swivel casters, and a stainless steel ladder, this cart, even fully loaded is easily maneuverable.
