

Two Shelf, Three Sided Cart F-30

- Distribution**
- Stocking**
- Work-In-Process**
- Display**

This two shelf, three sided 750lb load capacity cart is optimal for distribution, stocking and work-in-process applications across various industries. 4 phenolic swivel casters allow the cart to be easily maneuvered and even more easily handled. The 2 shelves are constructed of square tubing & steel formed sheet metal and have a clearance of 30". They are sloped at a 1-3/8" angle for product retention and security. The cart also folds for compact storage when it is not in use.
