

**One Shelf, Three Sided Cart F-38**

- Distribution**
- Stocking**
- Work-In-Process**
- Display**

This heavy duty folding cart is highly adaptable for a number of applications. Its open design and tilt back feature allow a large volume of material to be moved by one person. Spring loaded chains, which are fixed to the top of the cart are then fastened to the base to provide optimal product retention which can prevent spillage of items from the front of the cart.
